

## CONCORDANS

De nieuwe nummers uit voorliggende inventaris staan in de linker kolom weergegeven. De oude nummers (in de rechterkolom) zonder toevoeging zijn afkomstig uit de oude reeks E van het bisdom, waarvan de nummers (pakken) met een schuine streep werden opgesplitst. De stukken voorafgegaan door een letter C zijn afkomstig uit het blok charters. Stukken met de aanduiding GBSA werden in bewaring gegeven door de vzw Groot Begijnhof Sinte-Elisabeth te Sint-Amandsberg (Aanwinstnr. 2023/55). Enkele stukken met de aanduiding VP en VC tenslotte, zijn afkomstig van een neerlegging door de Gentse Sint-Elisabethparochie (Aanwinstnr. 2016/2).
